III. Iowa Community Colleges Certified Budget Report—FY 2015—Kent Farver

Kent Farver presented the FY 2015 Iowa Community Colleges Certified Budget Report. He indicated this report is prepared to assist the CCC and the State Board of Education members in their role of approval of community college budgets. The report includes the approved budgets for all 15 community colleges. Farver explained that the Iowa Community Colleges Certified Budget Report is required by Iowa Code and the Iowa Department of Management coordinates the process. The State Board is required to approve the budgets each year by June 1. Farver reviewed the budget process, purpose, and what information is included in the certified budget report. Chair Phillips asked Kent if there was anything out of the ordinary this budget report. Kent responded no. He did note that the unrestricted fund is driven by tuition. He said that 2009 was year of record enrollment. In 2014, people are going back to work and enrollment is growing.

Motion: Mike Knedler moved and Rosie Hussy seconded to move that the State Board approve Iowa's Community Colleges Certified Budget Report—FY 2015.

Vote: The motion carried unanimously.
